

INCLUSIVE PROSPERITY CAPITAL **INVESTMENT ANALYST, CLEAN ENERGY FINANCE**

ABOUT THE OPPORTUNITY

Spun out of the Connecticut Green Bank in 2018, Inclusive Prosperity Capital, Inc. is a not-for-profit, impact investment firm focused exclusively on sustainable infrastructure investments in underserved markets. We connect investment capital with mission-aligned organizations, clean energy projects, and community initiatives.

IPC is seeking to hire a New York City-based Investment Analyst, with high integrity, that is excited about the type of work IPC is doing and wants to help scale a growing national investment platform. The Analyst will be closely involved in each of IPC's investment strategies: from developing, owning, and operating distributed solar assets, to placing debt on a wide array of clean energy projects, including solar, efficiency, storage, and climate resiliency.

DUTIES AND RESPONSIBILITIES

This position will be responsible for contributing meaningfully to key areas of IPC's business, including origination, underwriting, investment execution, and asset management.

Responsibilities include:

- Underwriting, financial modeling, and structuring of potential investments
- Drafting investment memos, presentations, and other analyses
- Contributing to the negotiation and drafting of legal documentation
- Monitoring current investment portfolios
- Contributing to fund-raising and investor relations
- Researching relevant industry and regulatory developments

QUALIFICATIONS

- Bachelor's Degree in a relevant field
- 1-2 years of experience in clean energy development, investment banking, management consulting, or other related fields
- Excellent writing and communication skills
- Proven analytical and financial modeling skills
- Strong attention to detail and ability to manage multiple projects simultaneously
- Entrepreneurial mindset with a strong desire to be part of building a growing investment firm
- Demonstrated mission alignment

WHAT WE OFFER

- Transaction exposure from the start
- The position will be a combination of remote and on-site work in our New York City office.
- Unique opportunity to play a key role in an ambitious mission-driven firm, with significant development opportunities
- Competitive compensation package commensurate with experience
- A commitment to work-life balance with flexible, generous time-off policies (13 paid holidays, three weeks of vacation time - increasing with years of service, other personal time off, including for voting and community service).
- Generous benefits package including health insurance covering medical, dental and vision, 401K with a 6% employer match, tuition reimbursement for continuing education, and paid parental leave.

EQUAL OPPORTUNITY

IPC is an equal employment opportunity employer. We are strongly committed to fostering a diverse, welcoming, and inclusive work environment. IPC provides equal employment opportunity to all applicants and employees without regard to race, color, religion, sex, sexual orientation, gender identity or expression, marital status, national origin, ancestry, age, present or past history of mental disability, intellectual disability, learning disability, physical disability, including but not limited to blindness, status as a veteran, or any other characteristic protected by applicable federal, state, or local laws.

IPC complies with the Americans with Disabilities Act and corresponding state or local law. If you believe you need an accommodation in order to participate in the application process, please contact careers@inclusiveteam.org.

This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training.

Women, people of color, individuals with disabilities, and veterans are encouraged to apply.

APPLICATION PROCEDURE

To apply for this opportunity, please email your resume and cover letter to careers@inclusiveteam.org with "Investment Analyst, Clean Energy Finance" in the subject line.

We believe everyone should have access to the benefits of clean energy. We can change the conversation in underinvested neighborhoods and markets, helping to deliver **Inclusive Prosperity**.
